Important notes

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- check your personal data against counter fraud systems
- use your information to search against various publicly available and third party resources
- use industry fraud tools including undertaking credit searches and to review your claims history
- share information about you with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If you provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

It is important, for the services of ELTO to be fully effective, that you inform us of your ERN (Employer Reference Number also known as the Employer PAYE reference) and all subsidiary company names and their ERNs if applicable.

As members of ELTO we will forward details of your policy if it contains Employers' Liability cover to ELTO together with details of any ERNs you have supplied to us.

General conditions

In the following conditions the word **you** also includes any other person insured under the policy.

- 1 The policy, schedule, endorsements and any certificate(s) shall be read as though they were one document.
- 2 **You** will take all reasonable steps to protect the property, prevent accidents and comply with laws, bye laws or regulations and take reasonable care in the selection and supervision of **employees**.
- 3 **You** must notify **us** as soon as possible during the period of insurance if there is any change in circumstances or to the material facts previously disclosed by **you** to **us** or stated as material facts by **us** to **you** which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** are under no obligation to agree to make them and may no longer be able to provide **you** with cover.

If **you** do not notify **us** of any such change **we** may exercise one or more of the options described in clauses c) i), ii) and iii) of General Condition 8 but only with effect from the date of the change in circumstances or material facts.

- 4 If **you** or anyone acting on **your** behalf:
 - a) makes a fraudulent or exaggerated claim under this policy; or

 - e) realises after submitting what **you** reasonably believed was a genuine claim under this policy and then fails to tell **us** that **you** have not suffered any loss or damage; or
 - f) suppresses information which **you** know would otherwise enable **us** to refuse to pay a claim under this policy

we will be entitled to refuse to pay the whole of the claim and recover any sums that **we** have already paid in respect of the claim.

We may also notify **you** that **we** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If **we** terminate this policy under this condition **you** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of **you** this condition should be read as if it applies only to that insured person's claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

- 5 **We** have the right to cancel this policy, or any section or part of it, by giving 30 days notice in writing by special delivery mail to **your** last known address.
- 6 If **we** admit liability for a claim but there is a dispute as to the amount to be paid, the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by **you** and **us** in accordance with the law at the time. **You** may not take legal action against **us** over the dispute before the arbitrator has reached a decision.
- 7 This policy will come to an end immediately if **your** organisation ceases to exist or if **you** die where **you** are an individual except that **your** executors or personal administrators will be entitled to benefit from any cover until **your** estate has been administered.

 - ii) not misrepresent any material facts.

 - ii) recover from **you** any amount **we** have already paid for any claims including costs or expenses **we** have incurred.

- c) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this policy may be affected in one or more of the following ways depending on what **we** would have done if **we** had known about the facts which **you** failed to disclose or misrepresented:
- i) if **we** would not have provided **you** with any cover **we** will have the option to:
 - 1) avoid the policy which means that **we** will treat it as if it had never existed and repay the premium paid; and
 - 2) recover from **you** any amount **we** have already paid for any claims including costs or expenses **we** have incurred
 - ii) if **we** would have applied different terms to the cover **we** will have the option to treat this policy as if those different terms apply. **We** may recover any payments made by **us** on claims which have already been paid to the extent that such claims would not have been payable had such additional terms been applied

Provided always that if the person concerned or **you** acting on their behalf makes a careless misrepresentation of fact **we** may invoke the remedies available to **us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

- 9 **You** must tell **us** immediately any **building** or part of any **building** insured by this policy becomes unoccupied and pay an additional premium if required. **We** shall have the right to change the terms and conditions of the policy and **you** must action any risk improvement measures that **we** may require.
- 10 Notwithstanding any other terms of this policy **we** will be deemed not to provide cover nor will **we** make any payment or provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of **yours** would violate any applicable trade or economic sanctions law or regulation.
